**AVVERTENZE!****ISTRUZIONI ED INFORMAZIONI PER LA SICUREZZA**

prima di procedere al montaggio ed all'installazione del prodotto leggere attentamente le avvertenze di seguito riportate, prestando particolare attenzione ai disegni esplicativi riportati nelle istruzioni per il montaggio. Consultare queste avvertenze ad ogni successivo montaggio e/o installazione del prodotto.

1. Il montaggio e l'installazione del prodotto deve essere effettuato esclusivamente da personale tecnico competente. **Attenzione:** ultimato il montaggio verificare sempre che la struttura realizzata sia idonea al tipo di utenza e/o di utilizzo a cui è destinata. I prodotti non sono comunque idonei all'uso da parte di bambini.
2. Prima di procedere all'installazione è necessario verificare la portanza della superficie su cui verrà collocato il prodotto, di conseguenza utilizzare dispositivi di fissaggio adeguati al tipo di superficie in grado di resistere alle forze generate. **Attenzione:** la superficie deve comunque essere orizzontale, piana, rigida e indeformabile.
3. Attenzione: in caso di dubbi sulle modalità di installazione e/o sulla portanza della superficie su cui verrà collocato il prodotto non procedere alla installazione del prodotto.
4. Per la pulizia del pannello utilizzare esclusivamente un prodotto smacchiatore a secco seguendo attentamente le istruzioni riportate sul prodotto utilizzato.
5. Non utilizzare detersivi per pulire le parti non in tessuto.
6. Per ulteriori informazioni sulle modalità di installazione del prodotto contattare il rivenditore. Per i casi non contemplati contattare il rivenditore.

NOTE!**SAFETY INSTRUCTIONS AND INFORMATION**

Prior to assembling and installing the unit please read the following notes carefully. Pay particular attention to the drawings in the assembly instructions. Please consult these notes every time the product is assembled and/or installed.

1. The product must only be assembled and installed by competent fitters. **Warning:** once the product has been assembled always check that the structure is suitable for the type of application and/or use to which it will be put. These products are not suitable for use by children.
2. Prior to installation check the load bearing capacity of the surface on which the product is to be fitted :use suitable fixtures according to the type of surface which must be able to withstand the forces generated. **Warning:** the surface must be horizontal, flat, rigid and non-deformable
3. **Warning:** if you have any doubts concerning how to install the product and/or the load bearing capacity of the surface on which it will fitted, do not fit it.
4. Do not use detergents to clean the parts that are not in textile fabric.
5. To clean the panel use only a dry stain removal, carefully following the instructions on the product used.
6. For further information on how to install the product, please contact your dealer. For any use different from the ones here shown please contact the dealer.

MISES EN GARDE!**INSTRUCTIONS ET INFORMATIONS DE SÉCURITÉ**

Avant de procéder au montage et à l'installation du produit, lire attentivement les mises en garde ci-dessous présentées, en faisant particulièrement attention aux dessins explicatifs rapportées dans les instructions de montage. Consulter ces mises en garde lors de chaque montage successif et/ou installation du produit.

1. Le montage et l'installation du produit doivent exclusivement être effectués par un personnel technique compétent. **Attention:** au terme du montage, toujours vérifier si la structure réalisée est appropriée au type d'usagers et/ou d'utilisation auxquels elle est destinée. Les produits ne sont pas destinés aux enfants.
2. Avant de procéder à l'installation, il est nécessaire de vérifier la capacité de charge de la surface sur laquelle le produit sera installé : en conséquence, utiliser les dispositifs de fixation adaptés au type de surface et qui peuvent résister aux forces produites. **Attention :** la surface doit être horizontale, plane, rigide et indeformable.
3. **Attention:** en cas de doute sur les modalités d'installation et/ou sur la capacité de charge de la surface sur laquelle le produit sera installé, ne pas monter le produit.
4. Pour le nettoyage du panneau utiliser seulement un détachant à sec en suivant soigneusement les instructions sur le produit utilisé.
5. Ne pas utiliser de détergents pour nettoyer les pièces qui ne sont pas en tissu.
6. Pour toute information complémentaire sur les modalités d'installation, contacter le revendeur. Pour emploi différent par rapport à ceux indiqués ici nous vous prions de contacter le revendeur.

¡ADVERTENCIAS!**INSTRUCCIONES E INFORMACIÓN DE SEGURIDAD**
